

Etienne BILLETTE de VILLEMEUR is an engineer from Ecole Polytechnique (France) and holds a PhD in Economics from the European University Institute (Italy). He has been associate professor at Toulouse School of Economics and affiliated to the IDEI research center (France) – before to move to Université de Lille as full professor in 2011. He is also working for a decade in Haïti – with the “Chaires Universitaires Toussaint Louverture” in support, among others, of the nascent PhD programs there.

Prof. Etienne BILLETTE de VILLEMEUR is a long time co-author of Pierre-Olivier PINEAU, the organizer of the 2019 IAEE World Conference, with whom he published several papers in leading journals in energy economics (The Energy Journal, Energy Economics, Energy Policy, ... ).
